

**CAREER PATH HIGH**  
Student permission slip for  
the 11th-grade field trip to:  
Central Valley Water Reclamation Facility  
Friday, 20 March 2020  
8:30 am -- noon

Dear Parent or Guardian,

We have planned a field trip in association with this year's 11th-grade project (environmental issues & service).

At the facility, we will be taking a tour to learn about the science & technology of water recycling, as well as water's path from the sink to the sewer and back again.

The field trip will take place during March's scheduled workshop day, Friday, 20 March 2020. We will leave the school just after 8:30 am and return by noon, both via school bus.

**Closed-toe shoes are required.**

Please return this form in person or by email (after signing & photographing it) by Wednesday, 18 March, 2020 to either

Mr. Uriona ([anthony.uriona@utahcph.org](mailto:anthony.uriona@utahcph.org)),  
Ms. Chandler ([jessika.chandler@utahcph.org](mailto:jessika.chandler@utahcph.org)),  
Mrs. Stevens ([lisa.stevens@utahcph.org](mailto:lisa.stevens@utahcph.org)), or  
Mr. Colby ([shane.colby@utahcph.org](mailto:shane.colby@utahcph.org)).

**My child, \_\_\_\_\_,**  
**may attend the 11th-grade field trip to the Central Valley Water Reclamation Facility**  
**(<https://www.cvwrfl.org/>) on Friday, 20 March 2020, from 8:30 am -- noon,**  
**traveling by bus.**
