

Career Path High (CPH)

School Land Trust Committee

January 6, 2021 @ 6:00 p.m.

Meeting Minutes

1. Welcome and roll call - 6:05
 - a. Attending: Natalie Brush, Eric Corrington, Christie Wente, Anthony Uriona (staff), Stacey Hutchings (joined at the end of the call)
 - b. Absent: JeAnna Jenkins-Ellis
2. Adopt Minutes from December 2, 2020
 - a. Motion to approve by Anthony Uriona. Seconded by Eric Corrington. All approved.
3. Review 2020-2021 Plan
 - a. Continued discussion on adding a third paraprofessional. Concern about the goal to improve 10th grade math scores being removed. Too many variables (new math teacher, Canvas platform, new math curriculum, Covid limitations) to know how to put a measurable goal on improvement for next year. We know that a third paraprofessional would be able to help with all academic areas until we have more data on academic achievement, and updates to the restrictions due to the virus. Group decided to leave the vote for the next meeting to allow everyone to be involved.
4. Introduction of the Emergency Response Plan
 - a. Stacey provided a copy of the 2018 emergency plan. The group had discussed this briefly last year and had made some recommendations, but with the changes due to the Covid pandemic it may be necessary to make some additional changes. The group can look at the minutes from the meeting last year and review the plan to make all changes and update the review date.
5. Introduction of Sex Education Curriculum
 - a. Tabled until next meeting. Information sent with agenda to review procedure for sexual education with health class.
6. Next meeting is February 3, 2021. Motion to adjourn by Stacey. Second by Anthony. All in favor. Meeting adjourned at 7:10.
