February 3, 2021 @ 6:00 p.m.

1. Welcome and roll call - 6:07

- a. Attending: Natalie Brush, Eric Corrington, Christie Wentz, Anthony Uriona (staff), Stacey Hutchings (principal), JeAnna Jenkins-Ellis

2. Adopt Minutes from January 6, 2021

- a. Motion to approve by Anthony . Seconded by Natalie. All approved.

3. Review Teacher Survey

- a. Stacey provided an overview of the responses from teachers on the proposal to use the land trust funding for paraprofessionals. If additional funding is available, some of the suggestions were classroom technology (smart boards or TV), math tutor, and additional paraprofessional. Stacey also reported that she is looking at CARES money from Covid to hire additional FTE's to reduce workload, especially for success coaches. Questions from the group on what the CARES money can be used for or what restrictions exist. Previously trust land funding has provided funding for summer recovery time. In class technology is not an allowable expense for CARES funding.

4. Discussion of 2021-2022 STL Plan & Approval

- a. Stacey provided a pdf example of the previous school plan template. Discussion on keeping the first goal the same, and finalizing the additional funding. The committee agreed to keep the two paraprofessionals from last year's plan. Discussion on in-class technology was tabled due to physical changes in the classrooms for CPH. This would be a good discussion as the classrooms are more settled. Motion by Natalie to combine the two goals to one goal for up to three paraprofessionals and keep the same academic goal. Seconded by Anthony. All in favor.

5. Discussion on Sex Education Curriculum

- a. The committee discussed the curriculum and the procedure. There were no concerns and the committee felt it was appropriate especially with the parent-opt in and the students doing the instruction on-line. Stacey reported no concerns from parents, teachers, or students of this curriculum format or the content as presented.

6. Emergency Response Plan

- a. Stacey will update last year's plan with the minimal changes and the group will look at the final plan at the next meeting.

7. Next meeting is March 3, 2021 at 6:00. Motion to adjourn by Stacey. Second by Anthony. All in favor.

Meeting adjourned at 6:45 p.m.
