

**Utah Career Path High  
Policy: Purchasing and Disbursement Policy  
Approval Date: August 15, 2013  
Amended: January 7, 2019**

**Purpose**

The purpose of this policy is to enable administration to make minor purchases that are necessary for the day-to-day operation of Utah Career Path High (the "School"), without approval of the Board of Directors (the "Board").

**Purchasing**

The responsibility for approving purchases is delegated to the Director of the School by the Board as set forth below.

All purchases up to \$2,500 must be approved by the Director; purchases between \$2,500.00 and \$5,000.00 must be approved by either the Board President or Board Treasurer; and purchases over \$5,000 must be approved by the full Board.

Employee purchases that require reimbursement are discouraged.

Purchases for travel that require the use of a credit card must follow the purchasing / disbursement process utilizing a purchase order. The School's management company will retain the credit card for making such purchases and only utilize the credit card when required to do so.

**Disbursements**

The responsibility for disbursement is delegated to the School's management company as set forth below.

Disbursements will be charged to one of two School accounts: (i) the General Operating Account; and (ii) the Petty Cash Account. The School's management company is responsible for disbursements charged to the General Operating Account, and the School's Director is responsible for disbursements charged to the Petty Cash Account.

Disbursements are handled in such a manner as to ensure that the proper funds and accounts are charged; that the disbursement is used only for authorized purposes; and that laws, rules and regulations governing the disbursements and handling of public funds are followed.

General Operating Account

The following controls are established to ensure that all payments are made on a timely basis and in accordance with all purchase orders and contracts:

- A purchase order shall be completed prior to disbursing funds for a purchase unless the disbursement is made in accordance with the terms of an ongoing contract that has been previously approved by the Board.
- A purchase order shall be authorized by the individual(s) listed above based on the purchase amount.

- Completed purchase orders are to be sent to and reviewed by the School's management company.
- The School's management company must be given a valid invoice and properly completed purchase order prior to making payment.
- Disbursements are to be made primarily by check with counter signatures to provide additional control.

### Petty Cash Account

In addition to the General Operating Account, the School has a Petty Cash Account with corresponding checks and a debit card to be utilized at the discretion of the Director. The purpose of the Petty Cash Account is to provide a convenient way to pay for small expenses while minimizing exposure of School funds to the risk of misuse or theft.

Blank warrants/checks and/or a debit card may be kept in locked storage under the control of the Director or a designated, responsible employee at the School. Disbursements charged to the Petty Cash Account shall be made in accordance with the following provisions to ensure payments are properly authorized and recorded:

- In general, the Petty Cash Account should maintain a balance between \$500 and \$2,000.
- Access to the Petty Cash debit card is limited to the School's Director or a designated alternate.
- Access to blank checks is limited to the School's Director or a designated alternate. When blank checks are received, the date, quantity, and inclusive serial numbers are recorded and added to the total balance on hand. When a blank check is used, the stub along with a copy of the receipt is to be signed by the Director and forwarded to the School's management company. The use of these blank checks should be kept to an absolute minimum.
- The School's Director or designated alternate is responsible for: (i) maintaining records and receipts for each transaction charged to this account; and (ii) entering the information into the School's accounting software on a regular basis. Information should be uploaded in a timely manner to allow the School's management company adequate time to provide accurate monthly financial reports to the Board.
- The School's Director or designated alternate is responsible for replenishment of the account when petty cash is low. To replenish petty cash, the Director must request the School's management company to transfer funds.

### Recording Transactions

Purchase orders and requisition requests must identify the fund, function, location, program, and object or revenue code to which the purchase is to be booked. Accounting staff will periodically review this information to ensure that expenditures are booked accurately.
